### Annual Lenten Challenge

Each year, Trinity Women challenge you to give up your Starbucks coffee, your extra large french fry, or a new shirt and donate the money you would have spent to one of the ELCA good gifts projects. This year we will be building latrines. When you gotta go, you gotta go. But 2.3 billion people lack access to basic sanitation. Without facilities, contamination of the local water supply and food chain make far too many people sick. A new latrine, along with training to help with maintenance and hygiene, leads to a healthier community and a safer way to "take care of business"! Trinity women will be collecting your donations with the hopes of building 3 latrines. Watch the bulletin board in the fellowship hall for our progress. Donations may be given to any Trinity Women member or included with your offering.

**Mark the donation: Latrines.**

## Working Toward Our Pipe Dream: Update on our Fundraising Goal

The Organ Committee launched its pledge drive on Palm Sunday, April 14, 2019, with a goal of raising an additional \$75,100 toward the organ contract of \$131,710. This goal excludes estimated other costs of \$30,000 associated with the demolition and construction project.

At February 29, 2020, \$81,908 in contributions had been received for the new organ. There now have been 15 pledges received with outstanding balances totaling \$29,722. We are now 73% of the way toward our fundraising goal. The receipt of pledges and other contributions since April 14<sup>th</sup> leaves a balance left to raise of \$20,080. An update to these amounts will be given at least monthly in the *Lamplighter*.

Thank you to members who have made payments or pledges thus far. By making a pledge commitment,

we will have something concrete to show a bank or other lender what Trinity has raised, or expected to raise toward the total purchase.

Each member of Trinity is asked to prayerfully consider pledging what they are willing to commit to giving for this purpose through December 2022. **Of course, other payments are also very much appreciated.** The Organ Committee hopes that all Trinity members are inspired to give to this Pipe Dream. **We still need your support.** It is perhaps one small way that the people of Trinity can give honor and glory to God.

Please complete a pledge card and return it to Darrel Gosse. Thank you for your consideration.

Sincerely, The Organ Committee
