ANGEL TREE: The Angel Tree is up and decorated. Each year we collect gifts for the children living at CODA. These gifts are used for both Christmas and birthdays. Mothers are allowed to select gifts appropriately when the celebration comes around.

If you wish to participate, select an angel (or two or three), buy a gift, wrap or bag, attach your angel and put it under the tree. If you are not able to shop, you can support this cause with cash donations. Give to a Trinity Women member or **include in your offering and mark Angel Tree.**

LAYETTES: Trinity Women are, once again, collecting preemie and newborn clothes and accessories for Union Hospital. Preemie clothes are used to clothe stillborn babies as part of the grieving process. Newborn clothes are used for those who are in need. If you wish to participate, simply leave the items in the church office or bring to the Trinity Women Christmas party. If you are unable to shop and wish to make a cash donation, you may give the donation to a Trinity Women member or **include it in your offering marked Layettes.**
